Invite reference to this office letter No.C. 1439-27 dated 24/27th June 1940 (copy enclosed for ready reference) wherein it is proposed that all the Vaccinators' posts may be graded with a biennial increment of Re 1/- in the last grade and an annual increment of Re 1/- in the next higher grade, that is, Rs 20-1/2-25-1-30, as most of the local bodies in the State have agreed to the proposed scale of pay. As the two City Municipalities are also agreeable, it is recommended that all the Vaccinators' posts may be graded as proposed above, which will not only place them in a better position, as explained in the original letter, but would also facilitate transfers of Vaccinators as and when required.

Sir,

I have the honour to state that there are at present, Vaccinators attached to the Health Section of the Municipality, two on a fixed pay of Rs 25/- each and two on a fixed pay of Rs 20/- each With a view to give them the benefit of periodical increments and in the circumstances explained in the accompanying copy of the Director of Public Health's letter No C 1439-2 dated 11/13th April 1940, the Municipal Council have sanctioned the revision of the scales of pay of these Vaccinators from Rs 25 and Rs 20 to 20-1-25-1-30, (vide copy of their Resolution No 592 dated 25th May 1940 biennial enclosed herein) As this class of Municipal servants has at present no scope for promotion, they richly deserve this small encouragement I request that Government may be pleased to accord sanction to the Resolution of the Municipal Council with effect from 1st July 1940

According to the proposition statement enclosed herein, the extra cost on this account on the average will be Rs 142 2/3 per annum which will spread itself over a period of 15 years Necessary provision will be made in the future budgets of the Municipality on this account to the extent necessary

I have the honour to be,

Letter No C 1439-2 dated 11/13th April 1940 from the Director of Public Health with the Government of His Highness the Maharaja of Mysore, Bangalore, to the President, City Municipal Council, Mysore

---

I have the honour to state that there are three classes of Vaccinators under the Local Bodies in the State carrying a pay of Rs.20/-, Rs 25/- and Rs 30/- respectively As the numbers have been fixed for the two higher classes, many of the Vaccinators in the last class do not have chances of promotion even after 10 to 15 years of service Similar appointments in other fields of work, such as Agricultural Fieldmen, Midwives, Compounders, Sanitary Inspectors etc are graded and they draw graded salaries in grade Rs 25-1-35-2-40 I therefore propose that the Vaccinator's posts also may be graded with a biennial increment of Re 1/- in the last grade and an annual increment of same in the next higher grade i e , 20-2/1-25-1-30 so that after 15 years of approved service at least a Vaccinator may hope to draw Rs.30/- a month This would encourage recruitment of candidates with higher general qualifications I threfore request you to kindly furnish me with the opinion of your Council in the matter

SUBJECT

SCALE OF PAY OF THE VACCINATORS IN THE S T A T E

I have the honour to state that there are three Classes of Vaccinators under the Local Bodies in the State, carrying a pay of Rs 20/-, Rs 25/- and Rs 30/- respectively As the numbers have been fixed for the two higher Classes, many of the Vaccinators in the last class do not have chances of promotion even after 10 to 15-years of service Similar appointments in other fields of work, such as Agriculture Fieldmen, Midwives, Compounders, Sanitary Inspectors etc., are graded and they draw graded salaries in grades of Rs 25-1-35-2-40 I therefore propose that the Vaccinators posts also may be graded with a biennial increment of Rs 1/- in the last grade and an annual increment of Rs 1/- in the next higher grade, i e Rs 20-1/2-25-1-30/-, so that after 15 years of approved service at least a Vaccinator may hope to draw Rs 30/- a month, and this would encourage recruitment of candidates with higher general qualifications

In this connection, all the Local Bodies in the State were addressed by me for their opinion in the matter and I am herewith enclosing a consolidated statement, showing the Resolutions passed by them for the proposed scale of pay and as most of them are agreeable to the proposal I request you to kindly obtain and convey sanction of Government for the proposed scale of pay to Vaccinators The extra cost involved will be met from the respective Local Bodies
